

AMHERST SUMMER RECREATION 2010

Vacation is just around the corner and the Summer Rec. Staff is eagerly awaiting the start of this year's activities. Along with the open gym and many new and exciting arts and crafts projects, our field trips will take us to many distant and fun places!

For our animal lovers, we will once again return to the **Lake Erie Buffalo Ranch**, which includes a wagon ride into Buffalo country, fishing, and a campfire to roast our marshmallows- don't forget them! We will also be traveling to the **Akron Zoo, Lagoon Deer Park, Lake Metroparks Farmpark** and **Back to the Wild**, a wildlife rehabilitation and education center.

For some batting and golf practice, we will have our annual trip to **Swings-N-Things**. Those who love history and science will enjoy trips to the **Great Lakes Science Center** and **William G. Mather Steamship**. Also included in the fun will be a ride down the Cuyahoga River in Cleveland on the **Goodtime III Boat Cruise** and even a tour of the **Cleveland Browns Stadium!**

Water lovers are not forgotten- the summer heat will have us cooling off as we return to **Kalahari Resorts Waterpark!** We will have plenty of opportunities to please our sweet tooth with some great chocolate at **Harry London's Chocolate Factory**, sample jellies and jams at **Cooper's Cider Mill**, and take a trip to **Toft's Dairy** for ice cream! Also, explore the history of a favorite movie snack at the **Wyandot Popcorn Museum!**

How could we ever stop going to **Chuck-E-Cheese** for food and fun!? The summer wouldn't be complete without a few trips to **Skateworld**, bowling at **Rebman's** and of course our movie days at **Amherst Cinema**. As always, it all ends with our annual **Picnic** in July.
